CAPTAIN'S REFIT FORUM

The in-depth discussion will focus on how to get the most out of your refit in a way that benefits your budget, your yacht, your crew and most importantly your Owners. At this private Captain's forum, utilise a rare chance to share experiences with a selection of industry specialists and hear from our keynote speaker, Captain Avnish Dhall. Avnish bridges the gap between yacht and yard, thanks to his experiences as Captain, Fleet Manager and now CEO of PTW Shipyard.

During the afternoon participants will discuss vital refit elements including:

- Advantages of the TPA procedures in Spain
- Antifouling and various advantageous modern technology's
- Open Vs Closed Door Contractor access in various yards
- Location as a key consideration
- Access to marina facilities, activities and surrounding city access

All event attendees are invited to join ACREW on their table at the SYC Palma Seafarers Supper. Enjoy an evening of delicious food and live entertainment courtesy of ACREW.

Only **25 places** available, please RSVP to onno@acrew.com to attend.
